András Harazin

research associate
Institute of Biophysics
Biological Research Centre, Szeged

Scientific degrees

2018.	Ph.D., biological sciences *(University of Szeged, Szeged)*
2013.	M.Sc., biologist *(University of Szeged, Szeged)*
2011.	B.Sc., biology *(University of Szeged, Szeged)*

Publication parameters

In extenso publications:	10
Cumulative IF:	33.01
Citations:	30/51
Hirsch index:	4

Current positions

2019–	research associate, *Biological Research Centre, Institute of Biophysics, Szeged, Hungary*
2016–2019	junior research associate, *Biological Research Centre, Institute of Biophysics, Szeged, Hungary*
2013–2016	Ph.D. student, *Biological Research Centre, Institute of Biophysics, Szeged, Hungary*
2012-2013	student researcher, *Biological Research Centre, Institute of Biophysics, Szeged, Hungary*

External Workplaces

2020-	1 year, postdoctoral researcher, *Aarhus University, Aarhus, Denmark*
