

Vanda Varga-Zsíros

PhD Student

Tel: +36-62-599

E-mail: zsvanda@brc.hu

Laboratory of Molecular
Stress Biology

PERSONAL DATA

Born 1993

QUALIFICATIONS

MSc 2018, Info-bionics engineer, University of Szeged

BSc 2016, Molecular bionics engineer, University of Szeged

PROFESSIONAL EXPERIENCE

2015-2018 Research Assistant, Cell Biophysics Research Group, Institute of Biophysics,
Biological Research Centre

RESEARCH INTEREST

Mass spectrometry-based shotgun lipidomics
3D cell cultures

LANGUAGES

Hungarian (mother tongue)
English (intermediate in written and spoken)
German (basic in written and spoken)

HONORS & FELLOWSHIPS

2019 Certificate from the Szeged Committee of the Hungarian Academy of Sciences
and "For the Support of Science on the South-Plain" Foundation
2017 Honor of the Dean of the University of Szeged for the achievement in the
National Scientific Students' Associations Conference
2017 National Scientific Students' Associations, Biophysics and Biooptics Section, 2nd
place
2016 Scientific Students' Associations, Physics Section, 2nd place

OTHER ACTIVITIES

2018 High School Research Camp of Life Sciences
2017 European Researchers Night
2016 European Researchers Night
