

Aladár Pettkó-Szandtner

research associate
Central Laboratories
Biological Research Center Szeged

SCIENTIFIC DEGREES

2006. PhD, Biology (*SZTE, Szeged, Hungary*)

PUBLICATION PARAMETERS

[mtmt](#)

CURRENT POSITIONS

2017– research associate, *Laboratory of Proteomics Research, Biological Research Center, Central Laboratories, Szeged, Hungary*

EXTERNAL WORKPLACES

2004–2004. 2 , Visiting researcher, *VIB / Ghent University Department of Plant Systems Biology (Belgium)*

2004–2004. 2 , Visiting researcher, *VIB / Ghent University Department of Plant Systems Biology (Belgium)*

2007–2010. 32 , Post-doctoral researcher, *Max f. Perutz Laboratories University of Vienna (Austria)*

2011–2013. 24 , Post-doctoral researcher, *Gregor Mendel Institute of Plant Molecular Biology (Austria)*

NOTABLE INFRASTRUCTURE DEVELOPMENT GRANTS

2016–2021. GINOP-2.3.2-15-2016-00032: Investigating process controlling the protein-protein interactions and protein homeostasis in cell using novel genetic and proteomic approaches, researcher

AWARDS AND DECORATIONS

2014-2017 Bolyai Research Scholarship by: Hungarian Academy of Science

EDUCATIONAL ACTIVITIES

B.Sc. supervision: 2 supervisions

M.Sc. supervision: 2 supervisions

Ph.D. supervision: 2 supervisions

LANGUAGE EXAMS

2003. English intermediate level

2005. German, basic level

62. Temesvari krt.
Szeged, Hungary, 6726

+36 (62) 599-600/773
