

Orsolya Beöthy-Fehér

e-mail: beothy-feher.orsolya@brc.hu

Education

2019- currently PhD, PhD School in Biology Of University of Szeged

University of Szeged

2016-2018 MSc, Info-Bionics Engineer

University of Szeged

2011-2015 BSc, Molecular Bionics Engineer

University of Szeged

Current position

2023 Research assistant, BRC, Szeged, Institute of Plant Biology

Work experience

2019 BRC, Institute of Plant Biology, Regulation of Plant Morphogenesis Group

Technical experience and skills

DNA isolation and purification, site directed mutagenesis, cloning, PCR technology, gel electrophoresis

RNA isolation and purification, polyacrylamide and agarose gel electrophoresis, reverse transcription

Protein work: design, production and purification of tagged proteins, Western-blotting, immunoprecipitation assays

Language skills

Mother language: hungarian

Other languages: english (spoken/reading_intermediate level)

german (spoken/reading_basic level)
