

Curriculum vitae

Personal Details:

Name: **Bereczky Boglárka Anna**
Date of birth: 13.01.2001
Place of birth: Szeged, Magyarország
Current Position: Scientific administrator
E-mail: bereczky.boglarka.a@gmail.com

Education:

- 2015-2019: Miklós Radnóti Experimental High School, Szeged
- 2019-2023: Bioengineer BSc, University of Szeged Faculty of Sciences and Informatics
- 2023-2025: Molecular biology MSc, University of Szeged Faculty of Sciences and Informatics

Work experience:

- 2022-2023: Student
Task: Laboratory work (plan and evaluate bacteriological, molecular biological experiments)
HUN-REN Biological Research Centre, Institute of Plant Biology

Scientific skills:

- Protein works: Protein extraction, SDS-PAGE
- DNA-RNA work: gel electrophoresis, DNA extraction, PCR
- Sterile laboratory work, maintenance of bacterial and plant cell cultures, Fluorescence microscopy, Chromatography: HPLC, GC.

Language skills:

- English (advanced)

International Conferences:

- 2022 Straub Days International Conference BRC, Szeged, Hungary
