

Curriculum vitae

BETTINA ZOMBORINÉ DR. NAGY
+36-30-6350490

PERSONAL DATAS:

Name: BETTINA NAGY
Place of birth: Szentes
Date of birth: February 2nd, 1983
Nationality: hungarian
E-mail: nagy.bettina@brc.hu

EDUCATION:

2016: PhD, Szent István University, PhD School of Plant Sciences. Title of Thesis: Investigation of the abiotic stress tolerance and grain weight determining candidate genes via stable genetic barley transformations. Supervisor: Dr. Horváth V. Gábor.
Discipline: Crop and Horticultural Science
2006: Szent István University, MSc, 2nd diplome, Faculty of Economics and Social Sciences
2006: Szent István University, MSc Agricultural Sciences

LANGUAGES EXAMS:

French: intermediate (2006),
English: intermediate (2010).

EXTERNAL WORKPLACES

2007 (3 months) Leibniz-Institut für Pflanzengenetik und Kulturpflanzenforschung, IPK Gatersleben. Subject: barley transformation.

POSITIONS:

2006 - 2009 HAS Biological Research Centre, Institute of Plant Biology, Cell Division and Stress Adaptation Research Group, PhD student
2009 - 2014 HAS Biological Research Centre, Institute of Plant Biology, Research assistant.
2014-06-12 - 2016-07-14 Maternity leave.
2016 - HUN-REN SZBK, Institute of Plant Biology, Molecular Regulation of Plant Development and Adaptation Research Unit, Gene-Specific Mutagenesis and Plant Production Research Group, Research associate.

PUBLICATIONS:

In extenso publications: 11
Cumulative IF: 27,378
Citations: 151
Hirsch index: 6
