

Fruzsina Nagy

E-mail: nagy.fruzsina@brc.hu

Education

- 2022-** **Doctoral student**
University of Szeged,
Faculty of Science and Informatics, Doctoral School of Biology
- 2022** **Agricultural Biotechnologist, MSc**
Hungarian University of Agriculture and Life Sciences,
Szent István Campus
- 2020** **Biologist, BSc**
University of Szeged,
Faculty of Science and Informatics

Current position

- 2020-** **Laboratory technician**
BRC, Institute of Plant Biology

Work experience

- 2020-** Laboratory technician
BRC, Institute of Plant Biology, Regulation of Plant Morphogenesis
Group
- 2018-2019** Intern
BRC, Institute of Genetics, Laboratory of Replication and Genome
Stability

Technical experience and skills

- ❖ PCR technology, gelelectrophoresis
- ❖ DNA isolation and purification, digestion, transformation, Southern blotting
- ❖ RNA isolation and purification, qPCR
- ❖ Spot assay, kill curve, MIC techniques

Language skills

Hungarian mother language
English spoken/reading_intermediate level
