

Scientific Biography

Nyári, Dóra

Personal data:

Name: Nyári, Dóra
Place and year of birth: Szeged, 1996.12.19.
Workplace: University of Szeged, Genetic Institute
Biological Research Centre (BRC),
Institute of Plant Biology
Photo- and Chronobiology Group
Address: H-6726 Szeged, Közép fasor 52.
H-6726 Szeged, Temesvári krt. 62
H-6701 Szeged Pf. 521, Hungary
Tel., E-mail: 06-30-842-65-36, nyari.dora@brc.hu

Education, studies::

2015 Graduation: Szegedi Tömörkény István Grammar School of Szeged
2018 Diploma: University of Szeged, Faculty of Science and Informatics
Biology BSc
2020 Diploma: University of Szeged, Faculty of Science and Informatics
Biology MSc
2020- PhD studies: University of Szeged, Biological Doctoral School
Supervisors: Dr. Kozma-Bognár, László; Dr. Hajdu, Anita

Professional Practice:

2015-2018, University of Szeged, Genetic Institute; Biological Research Centre, Photo- and Chronobiology Group, Szeged

Supervisors: Dr. Kozma-Bognár, László; Dr. Hajdu, Anita
Topic:

2018-2020, University of Szeged, Genetic Institute; Biological Research Centre, Photo- and Chronobiology Group, Szeged

Supervisors: Dr. Kozma-Bognár, László; Dr. Hajdu, Anita
Topic: Identification and characterization of novel components of the plant circadian clock

2020- , University of Szeged, Genetic Institute; Biological Research Centre, Photo- and Chronobiology Group, Szeged

Supervisors: Dr. Kozma-Bognár, László; Dr. Hajdu, Anita
Topic: Identification and detailed characterization of novel circadian clock mutants in *Arabidopsis thaliana*
